

Explosion-Proof Manual Call Point Base

Overview

The Explosion-Proof Manual Call Point Base is designed for use in hazardous areas, providing secure mounting and reliable performance for manual call points. It ensures safe installation in environments with flammable gases or dust.

Technical Specifications

Item	Specification
Rated Voltage	85 V – 240 V
Protection Grade	IP66
Housing Material	Aluminum Alloy
Explosion-Proof Grade	WF1
Size	98 × 98 × 90 mm

Application

- Industrial facilities
- Oil & Gas plants
- Power & Energy stations
- Warehouses
- Other hazardous areas
